

DPD 5691-59

10 November 1959

MEMORANDUM FOR: Deputy Director, Plans
THROUGH : Acting Chief, Development Projects Division, DD/P
25X1 SUBJECT : Project [redacted]
REFERENCE : Staff Meeting Minutes, 3 November 1959
(COR 0667)

1. This memorandum is for your information.

25X1 2. In paragraph 12. b. of the referenced Minutes it is stated that I am engaged in an approach through the ARC on the validity of the intelligence requirements for Project [redacted]. This is not correct.

25X1 3. [redacted] approached me to ask for help in regard to approaching the U.S. Army and possibly eventually the U.S. Air Force for Base support for Project [redacted]. I informed him that operational support by either of these services would, in my opinion, eventuate in an interrogation to the intelligence organizations of those services as to the bona fides of the requirements for Project [redacted]. Since I was not aware of the status of such requirements, I checked with TSS and OSI who were knowledgeable of GMAIC and the USIB. 25X1 It is my understanding that General Strong and TSS are working with [redacted] in dealing with the services on this question.
